Wedding Celebrations to Remember

We are a quirky and unique, wedding reception venue for couples looking for something different and less traditional.

Our beautiful listed venue is arranged over 3 floors in a town centre location with industrial-luxe styling and a top-notch events team.

We offer wedding packages for the budget-conscious planner, without compromising on service.

Why Croydon?

We are located in one of the most vibrant London boroughs, birthplace of Kate Moss, Stormzy and so many other super-cool residents.

Our nearest station (East Croydon) is a 5 minute walk away and connects to central London and Gatwick Airport in just 15 minutes.

You can find us in Croydon's Cultural Quarter, right in the centre of town, close to the historic Surrey Street Market and surrounded by flashes of Street Art (both great for wedding shots).
